

Curriculum Summary Document

Year 11 RSE

Module/Unit of Learning	Term Taught	What will students learn?	How will this build a broad and strong foundation?	Links to other subjects
Health & Wellbeing	Autumn 1	<p><u>Personal Health</u> Students will look at personal health implications and how to overcome. This includes fertility health and digestion /physical health. Students will look at the impact of compulsive disorders and prevention/cure.</p>	Students will build on their 4 years of personal health knowledge to now look deeper at the common health implications that are not discussed enough.	Biology Catering Child Development
Health & Wellbeing	Autumn 2	<p><u>Personal safety</u> Students will look at risky behaviors abroad, at home and in the streets. By doing this they can identify mob/criminal behaviors. A lesson on Culture War helps differentiate opinions of others and freedom of speech.</p>	Students now develop their own personal plans for their future to ensure they are confident individuals who are self-aware and educated on potential danger and risk.	Geography Tutor time History RE Business Studies
Living in the Wider World	Spring 1	<p><u>Post 16 choices</u> Students will take time to complete college applications and mock interviews as well as exploring post 16 options.</p>	Using RSE lessons alongside careers meetings and assemblies will ensure students are fully prepared for their next step.	Careers Tutor time Assembly
Living in the Wider World	Spring 2	<p><u>Wider world exposure</u> Students will investigate radicalisation/extremism, online safety and pronouns.</p>	These individual lessons help students to identify and navigate wider world issues and wider world experiences.	History Geography RE Computing
Relationships & Sex Education	Summer 1	<p><u>Impact of poor decisions</u> Students will finish their RSE learning at MBA by looking at poor decision making within relationships such as revenge porn and the real cost of parenting.</p>	This will ensure students make correct choices especially with the culture surrounding revenge porn. The parenting costs lesson will help students better understand the planning need to build a family to help ensure successful relationships.	RE Computing Tutor time Child Development
Relationships & Sex Education	Summer 2	N/A – Students will sit their GCSEs.
