

Module/Unit of Learning	Term Taught	What will students learn?	How will this build a broad and strong foundation?	Links to other subjects
Christian Beliefs	Autumn Term	<ul style="list-style-type: none"> <li>- The nature of God</li> <li>- The creation story</li> <li>- The incarnation of Jesus</li> <li>- The crucifixion and resurrection of Jesus</li> <li>- Jesus' role in sin, salvation and grace</li> </ul>	Students will understand the significance of Jesus' crucifixion, the concept of salvation, and the roles of sin and grace in Christian Beliefs. They will also learn about Christian practices such as prayer, worship, and sacraments. This study fosters moral reflection, empathy, and a deeper appreciation of Christian teachings, enhancing their understanding of forgiveness, redemption and ethical living. Families & Relationship	Spring Term	<ul style="list-style-type: none"> <li>- Roles of families</li> <li>- Types of families</li> <li>- Marriage</li> <li>- Cohabitation</li> <li>- Same-sex relationships</li> <li>- Divorce and remarriage</li> <li>- Contraception</li> <li>- Gender roles and equality</li> <li>- The role of parents and children</li> <li>- The importance of love in relationships</li> </ul>	Studying Families and Relationships through Christianity and Buddhism builds a strong foundation by helping students understand how beliefs shape family life, marriage, and gender roles. It encourages critical thinking about issues like divorce, contraception, and same-sex relationships while highlighting shared values such as love, compassion, and equality. This broadens knowledge, develops empathy and respect for diversity, and equips students with skills for further study and life in a diverse society.	RSE
